I said: "What I want is a rich-feeling limousine that drives like a perky sports car and is easy to park and doesn't cost very much—particularly since it is strong enough to last a long time. And uses very little gas."

He said:
"Lady, you just ordered a Falcon!"

President's message

For those of you who missed the National Meet in Boulder, CO you missed another great one, with over one hundred cars (Falcons) there. There was hardly time to even sleep. To the Mile-Hi Chapter, you did a super job on hosting the 8th Annual National Meet.

The club is now looking for a chapter to host the 1989 National Meet. If any chapter is interested please contact me.

For those of you who were at Boulder and wondering how the 67 Sport Coupe I bought out there and brought back here, it made it back fine. I just hope to have it fixed up in the next few years.

Hope to see some of you at the Regional Meet in Hot Springs, Arkansas on October 23-24, 1987.

Roy E. Sword, Pres., FCA

Editor's message

We had a great time in Boulder, CO for the National Meet. Make plans now to attend the 9th Annual in Atlanta - schedule your vacation for August 11, 12, 13, 1988 and meet us there.

The judging of cars was really competitive this year. There were so many great looking Falcons to pick from --it was hard to choose one favorite in the classes.

We talked to many of you and appreciate your comments and ideas about the club newsletter. If you did not get a chance to visit with us, please drop us a line soon. We would love to hear from you and also those who were not able to attend.

We have included in our Special Notice in the back that one quarter page photo ads are now available for \$15.00 for members and \$25.00 for non-members. This means you can have a photo of your car shown with your classified ad information if you desire. A quality black and white or color photograph should be submitted with your ad along with your check payable to FCA.

Bill and Kathy Woodell, Editors

Meet Reports

The Gateway Chapter met July 26 at the Bonanza Restaurant in St. Charles, MO. We welcomed one new member and his wife. They have a nice black 64 Futura Convertible. We discussed our trip to the Indy Regional. We had six Falcons there and we all went to the Indy Speedway Sunday and drove a lap around the Speedway after attending the all Ford show. The Hoosier Chapter provided a very enjoyable picnic lunch at Indy. We also discussed the possibility of hosting a car show and parts swap meet in the near future, as we have been having inquiries for available Falcon parts. We would like to hear reports for other Chapters and members interested in coming to Gateway to show their cars or buy or sell parts. At the conclusion of our meeting Jim Inman showed slides he had taken at the Regional. We now have a Club Banner! We have taken it to several events to display. After the meeting we all went across the street and formed a semicircle with the club Falcons and took pictures with our new Banner.

The Lone Star Chapter had a very successful meeting on July 18 at Coulters Bar-B-Q in Bedford. Several new members attended. Future meetings were discussed.

The Mason-Dixon Chapter's July 18th meeting was hosted by Koons Ford of Annapolis, MD. We had an excellent turnout with some new faces in attendance and several joined our chapter. 21 cars were on display, composed of 7 convertibles, 5 hardtops, 5 sedans, 3 wagons and a Ranchero. Our cars were enjoyed by the public and drew a lot of favorable comments from the KOONS salespeople. Annual elections were held resulting in the election of Phil Barber Pres., Bob Gerke as Vice-Pres., Mrs Selma Irwin as Treas. and Elmer Furman as Secretary/Editor. We discussed a fall picnic at Sandy Point State Park, located just off the Bay Bridge, near Annapolis, MD and having a leisurely Road Cruise in the near future. Anyone interested in joining our chapter is welcome to come visit us at our next meet at Winner Ford on Hwy 13 Dover, DE on September 26, 1987.

The Founder's Chapter met July 25, 1987 at the Woodells in Searcy for a cookout. Twenty-one were present. Several members reported on the Atlanta regional they had attended. Pat Sword will be regional meet chairman for our regional in October in Hot Springs. We will meet at the Swords on August 29, 1987 for election of officers for the new year. September 19, 1987 we will meet in Arkadelphia for an evening of fun. See the calendar for more information.

President Roy is excited about his newest Falcon — a 1967 Sports Coupe he bought and drove home from Colorado.

TECHNICAL ADVICE GIVEN

FOUR SPEED ECONOLINE

I thought FCA readers might be interested in this article. (Maybe a new source for locating parts). I got one of these transmissions last summer but did not realize it was a Dagenham until I read this article. The Tranny Main Case is the same, but it has the Econoline short tail shaft with the support hanger casted on to it.

QUESTION: I have a '63 Econoline Van, 90 in. wheel base, 170 cu. in. 6 cyl. Your *Old Cars Price Guide* covers it up to that point, but does not say anything about the 4-sp. on the column. I have even contacted Ford dealers and they can't help me. Any information you can give me to update the price of my vehicle will be appreciated. *Frank Miller, Bakersfield, CA.*

ANSWER: Ford introduced the British-built Dagenham four-speed column shift transmission on its Econoline trucks and vans in 1963. The option was discontinued in 1965. Whether this transmission increased the value of your truck depends on a potential buyer's preference for the four-speed over the more common three-speed or automatic. If you are interested in more information on your truck, you may want to contact the Light Commercial Vehicle Association's Econoline technical advisor, Jay Long, who has formed a local Econoline association in San Leandro, CA. and is publishing a monthly Econoline newsletter. Long can be contacted c/o the Light Commercial Vehicle Association, Rt. 14, Box 468, Jonesboro, TN 37659.

COLORADO ANNUAL CONVENTION A BIG SUCCESS!

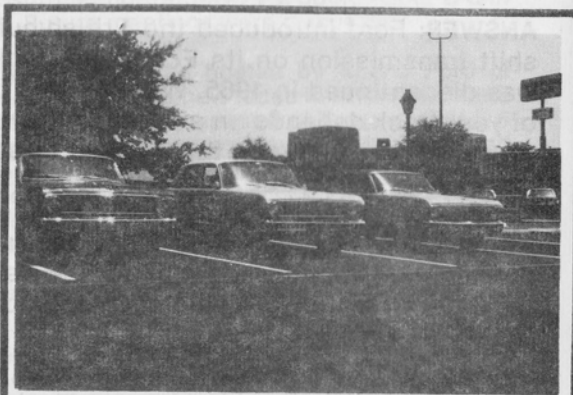

Whew! The 8th Annual Falcon Club of America Convention in Boulder, CO is now over. To all in attendance, we hope you had a good time in our State of Colorado. It was great seeing old friends and meeting new ones. That is what it is all about. We hope everyone enjoyed it and had a safe trip home. The Mile Hi Chapter officers would like to thank you for attending the convention. The membership of the FCA made it all become possible. After seeing the cars on display our Mile Hi Chapter gained six new members. One of our members expressed it well by saying, "It is a sad thing seeing the parking lot being emptied" when the beautiful Falcons started their voyage home.

Falcons at the Das Awkscht Fescht Show Macungie, Pennsylvania • August 2, 1987

There were four states represented - New York, New Jersey, Delaware & Pennsylvania. A total of 20 Falcons showed. The oldest was a 62 Sedan. There were 7 - 63 Falcons (2 - Sedans, 1 - Ranchero, 1 - Station Wagon, 2 - Futura Convertibles, 1 - Sprint Hardtop) and 11 - 64 Falcons (2 - Sedans, 1 - Station Wagon, 1 - Ranchero, 1 - Futura, 1 - Sprint Hardtop, 3 - Sprint Convertibles, 1 - Futura Convertible, 1 - Station Wagon and 2 - 65 Falcons (1 - Futura, 1 Sprint Hardtop).

There was approximately 75-100 F.C.A. membership applications handed out to Falcon Enthusiast. All that attended the show had plenty to see and do. Also there was a lot of interest in starting a local chapter. We had a small meeting and the format to start a chapter is being made up, then will be sent to the Board of Directors of the National Falcon Club of America for approval.

Here stands Massachusetts State Representative Mario Howe in the full flush of pride beside her "official motor vehicle." She elected her Ford Falcon in 1965, the same year the Massachusetts voters elected her to the State House of Representatives. Her trusty white beauty, license plate "Howe," takes its place in the State House parking area every day of the legislative session. For the past 22 years the Falcon has served Howe as faithfully as she has served her constituency in the State House, where she has risen to the post of Assistant Majority Leader.

To top it off, the basketball team she sponsors — Class A champions from Somerville, Mass. — are known as the mighty Howe Falcons!
